

DNA KEY

The Sovereign Path

PROSPECTUS

The Sovereign Path - DNA Key is the Pioneer Code for the New World

Born of ancient teachings and rememberings, the DNA Key was gifted to Rachael Te Wano via her own direct and pure connection to Source and all that is.

The DNA Key is an energetic clearing and attunement to the highest code currently available on the planet. Delivered via guided visualisation, sound, colour, frequency and sacred geometry; The Sovereign Path – DNA Key is delivered either in person or remotely, individually or in a group setting. This 40 minute multidimensional journey invites clients to gently release any negative past life experiences and energetic influences, expand their capacity for unconditional love, reclaim their primal self, reclaim their sovereign higher self connection, and upgrade to the pioneer code of our new world. The client is invited to close their eyes throughout the experience and to be seated to maintain conscious awareness. There is no physical contact between client and practitioner or 'Weaver'. The active meditation is a seemingly simple journey into the heart and the core of Mother Gaia; the magnitude of which blows Rachael's mind each and every time.

About the course

This is bigger than us.

The Sovereign Path - DNA Key is destined to reach many and for that, we need Weavers who can deliver the DNA Key worldwide.

This training will teach you the deep inner workings of the DNA Key and how to successfully deliver this modality to clients in person, remotely or in groups. Successful applicants will benefit from an entire module dedicated to running a conscious business, social media promotional templates and a functioning landing page/booking system so that you leave the nest ready to fly. Fees associated with the booking system and point of sale are at your own expense (we use Calendly and Stripe).

A new frame of reference

We live in a reality where words like 'DNA' and 'Key' have quite 'physical' definitions. I see the unseen realms and I don't learn from books. I tell it how I see it. When I 'talk' to a sOul, it is their DNA. A double helix. A genome. A blueprint. Light. It is all interwoven. For me, DNA is the very essence of sOul.

Intention & Discernment

The intention of this training is to share the DNA Key code and modality with heart-led practitioners who will; in turn, filter it through their soul essence and deliver the DNA Key in their service for the greatest good of all.

Anything shared by Rachael throughout this prospectus, training, Book of Wisdom (manual), online school or any other forms of communication is her truth and reality in that moment. No matter what language or tone is used in any circumstance; no claims or promises are ever made, no advice of any kind is ever given, no harm is ever intended - only pure love. Absolutely everything is an offer and subject to your acceptance. The same applies to any guests or team members commissioned to assist in the delivery of this training. This training is the very essence of radical self-responsibility and absolute discernment.

Upon accepting the offer to join the Sovereign Path DNA Key Weaver Training, you therefore agree to forever release, waive and discharge Higher Path Pty Ltd, Rachael Te Wano and any guests or team members commissioned to assist in the delivery of this training from any and all legal claims and liability, without limitation, in both their public and private capacity.
